Here are a few tips to make
your portrait session a great
experience

HOW TO PREPARE

A natural application of makeup, simple earrings, necklaces and other jewelry will photograph best and stand the test of time.

Fingernails should be trimmed and freshly polished if desired.

Choose a straightforward and classic hairstyle that will survive your journey to your appointment and allows for a grad cap, if desired.

White collared shirts or blouses usually work best to wear under the gown, and neckties with a solid colour or very simple pattern are recommended.

You may wish to bring a "prop" that represents an important part of your high school experience such as a musical instrument.

Remember, pets and people are not props and items must be tasteful and school appropriate. No pets whatsoever will be permitted at your session.

If in doubt keep it simple.

An understated and clean appearance will ensure that nothing detracts from the photo.

You are the Star!

PORTRAIT SESSION

Give yourself time to relax, and make any adjustments to hair or wardrobe necessary.

Please arrive dressed, groomed and ready to go 10 minutes before your session.

The photographer will collect your \$40 sitting fee at that time (cash, debit and credit accepted *)

This sitting fee includes:
8 poses, online ordering,
plus a Graduation Composite
and a Vinyl Folio at the end of
the year.

*additional costs are incurred with the purchase of packages, prints and downloads.

AFTERWARDS

You will be given a card with a secure numeric password at your session.

DO NOT LOSE THIS CARD

Use this password to access your proofs online at:
photovisions.ca/online

Proofs will be ready in just 3-4 business days after photography!

Browse the extensive selection of packages, digital downloads and a-la-carte prints and order all from the online platform.

Now you have the fun of deciding which photos you would like in which packages!

BONUS:

Save 10% on packages A-F ordered within two weeks of photography.
