

## Specialist High Skills Majors @ Owen Sound District Secondary School!

Get a Red Seal on your diploma and advanced standing and Scholarships at some Colleges!

### Who would be interested in the SHSM program?

This program will help all students in grades 11 & 12! Course and programs are offered at all levels. Whether your goal is a future in apprenticeship, college (technician, technologist), university (engineering, nursing) or the workplace (hairstyling, fashion industry) you will find that there is something here for you.

### A SHSM program package, students will receive:

- 4 credits - called the **major credits** - to provide knowledge and skills closely related to manufacturing sectors.
- 4 **additional credits** for support courses in English and other related disciplines such as, Science and Mathematics, as specified in each of the pathway options.
- 2 **Cooperative Education credits**. Experiential learning through job shadowing and work experience.
- **FREE compulsory industrial certifications**, such as first aid/CPR, WHMIS, fall arrest, fire safety, lock out/tag out.
- Document presentation of essential skills and work habits through the use of the **Ontario Skills Passport**.
- **FREE “reach ahead activities”**, and field trips which allows students to investigate learning in their intended post-secondary designation, which may also include technical competitions (such as Skills Canada) and field trips to industry and post-secondary schools.

**General information:** [joe\\_rutter@bwdsb.on.ca](mailto:joe_rutter@bwdsb.on.ca) or see specific program contact teachers in chart attached.
