

Summer School Travel for Credit

Bluewater District School Board is excited to offer a Grade 11/12 English Travel for Credit course to England during July, 2020. This will be a fun, exciting, and engaging way for students to take this course.

The course has two components. The first component consists of an e-Learning module during the first two weeks of July. The second component consists of a 9 day trip that will take students to London, England during the second two weeks of July. Students will participate in fun activities that bring their course to life, such as visiting Shakespeare's birthplace and Oxford University, a Guided Harry Potter Tour of London, and student-friendly workshops at the Globe Theatre and Sky Academy Studios. The travel portion of the course will be organized by EF Educational Tours. Students will complete a culminating activity when they return from the trip. This course is open to students eligible to take ENG3U or ENG4U.

We are hosting two information nights for those who are interested in learning more about this exciting opportunity. You can RSVP for the info session by clicking here: www.eftours.ca/creditinfo
