

OSDSS Cooperative Education

Alternative Education Work Agreement

The Ministry of Education requires that this form be completed and returned to the OSDSS Coop Education Department prior to a student working any unscheduled time at the placement site. This information is essential for the legal protection of all parties in case of injury. This document is not required if:

- a. the employer has offered to pay wages for these additional hours and henceforth is willing to include the student within the employer's WSIB premium and coverage.
- b. The student's placement is at a school under the auspices of the Bluewater District School Board.

Information Required:

Student's name: _____

Placement _____

Date(s) of Extension _____

Hours of Extension _____

Signatures: 1. Student _____

2. Employer _____

3. Parent _____

4. Co-op Monitor _____

Date Received: _____

This document must be attached to the school copy of the original WEA agreement before earning extra hours or the hours will not be counted.
